

TAMMY KLOTZ, CISO

Hey there! I'm Tammy, a vibrant executive with over three decades of diverse experience in the manufacturing industry, specializing in cybersecurity and transformational leadership. I have a unique aptitude for simplifying intricate IT and cybersecurity concepts and making them accessible to all business executives. I'm all about facilitating engaging and non-technical discussions that resonate with people, empowering them through knowledge sharing. Public speaking and thought leadership are my passions, and I'm always excited to connect with others in these areas.
